Christian Meert to Attend Annual NACFLM Conference in San Antonio

President of Agapè Catholic Ministries to Appear at National Conference of Family Life Ministers for 16th Year Straight

Colorado Springs, CO: Agapè Catholic Ministries President Christian Meert announced that he will attend the National Conference for Family Life Ministers in San Antonio, TX, from October 18 to 20, 2022. Meert, whose organization specializes in producing online preparation courses for the Catholic ceremonies of marriage, quinceañera, and baptism, has attended this conference every year since 2007. This year he will staff a booth to network with other dioceses and promote Agapè's unique programs in-person.

Of the impact he hopes to make at the conference, Meert said, "The situation in the Church has changed drastically since COVID. Many dioceses have reduced their staff, sometimes to the bare minimum. Their needs are different and we want to know how we can support their ministries."

Since the COVID outbreak in 2020, demand for online sacramental preparation courses like Agapè's has increased exponentially. Meert hopes to meet this growing demand by expanding both the course offerings and the reach of his ministry, including promotion through social media pages, informational webinars, and traditional conferences like this one. The main goal, to Meert, has always been to connect with like-minded individuals across the country in order to create a society that is pro-marriage and pro-family.
